Dear Pa

If it is possible I would like you to come over tomorrow as I have something to speak to you about. I find that it is almost impossible to keep anything in safety at this place I would like to have my Trunk so that I can lock it up. Tell Mother to put as many Drawers - Under Shirts - Socks - Handkerchiefs &c - as I have

Tell Her to hurry up with my Uniform as I do not like to go on Dress parade with "nothing to wear"
