Dear Wife

I write to let  
you know that our quota is  
filled for this call so that you  
need not worry until further Ab-  
stract another which I suppose  
will be pretty soon. My health remains  
good. The Copperheads are going  
to raise a large hickory pole in front  
of Gladwin's store with a Mc Clellan  
flag at the mast head. We are all  
pleased with the nomination &  
hope to win a victory.
