This is court week and  
Shackles & Hammonds case  
was the first one on and  
will take until the middle  
of this week to get through, have  
5 or 6 Lawyers on each side & Shackles  
sworn that he could not get any  
verdict there is a good excitement  
about it have to keep a  
Police force to keep them  
from crowding the jury

usually well here at home  
It is so Charles now-a-days

We have all been up to  
meeting to the school house  
this past week and Dan  
& his wife, & Abi & Miss Cox  
came down with us & the  
had a very. I am disappointed  
his horse collis for the way you  
used to have with Gilt their
