

Dear L. ill has got her letter nearen done than
mine so I will wait till another week I have been
to meeting every afternoon & eve this week I how
I wish you could step in & see the tears & resolutions
that are being made to serve God I cannot write
you the particulars now but will try sometime
I have not much time to write for we dont get
home till nearly eleven well you will all be gone
give my love to your Aunt Maria & Charlotte
& all the rest of the friends if there is any Burdock
round there tell Mr B to stop work awhile &
wear them on his back faithfully & see if it will
do him any good I fear he will not enjoy his
new house any if he dont
stop work
