Mr. J. H. Steele

Dear Sir

I sit down this evening
to drop you a few lines.
I recd your very welcome
letter came to hand some
days ago but have been
so busy that I could not
write you sooner I am
hearty and well & we have
a good time and well

Satisfied as that Carpet
Sack that I left at camp
I wish you would just
keep them till I call
for them if you have
room for them I think
we will stay here all
winter and if we do I
expect to get a furlough
and I will call and get
them (D. J. Conley)
