Nos. 68 and 70

PEARL STREET.

New Albany, Ind., Nov 10 1866

Dear Sir

Will you please see if I can get four hours kept at the place you spoke to me about. You told me if they sold some of theirs they could keep mine. See if they or any body else can keep them and what they will keep them for.

Please let me know as soon as you can.

The horse will be ready to send out next week.

Very truly Yours

W. M. Coffey
