My Dearest Wife & Baby,

I hope you will not be disappointed in not hearing from me yesterday. But dear I have been out on the train every day and come in late at night and night before last I came in about 10 o'clock and found a 1/2 on messages. As I just don't have time to do anything in an evening to Chorus today. I hope my girl is getting along ok and not so blue as when was when I was at home. You in Anna are your mother & I will be home tomorrow with I could come soon. But  
and do it

Wishing you all a Happy July
