Mr. Jos. D. Harkins,
Prestonsburg, Ky.

Dear Joe:

Your letter of the 5th instant to Mrs. Mayo has been referred to me for attention.

The Mrs. Jno. C. C. Mayo Co., is now the owner of the undivided one-half interest in the Mary May and W. R. Allen tract mentioned in your letter.

I am inclined to agree with you relative to leasing the small acreage mentioned for a wagon or truck mine; and suggest that you submit draft of proposed lease showing rate per ton, minimum royalty, etc., for the Company's consideration.

With every good wish for you and yours,

Sincerely yours,

Jno C. C. Mayo
