FROM THE EDITOR'S DESK

There's quite a lot in this issue of the GB, especially in the way of training workshops and conferences. KLA and SOLINET are both providing good seminars, and it seems to be a popular time for archival programs. And, don't forget - April 6-12 is National Library Week.

ARRIVALS AND DEPARTURES

William Davis. Microfilm Center
Bobbi Stout. Microfilm Center

Vivian Hall, head of the Geology Library, will be retiring March 31. Mary Spencer will be in charge of the Geology Library until a replacement is hired.

ENGINEERING LIBRARY RECEPTION

The Robert E. Shaver Library of Engineering in Anderson Hall will be the site of a reception held in honor of Mrs. Frances Shaver. The reception is scheduled for Friday, April 18, 1986 at 3:00 pm. Mrs. Shaver has been a generous patron and supporter of the Engineering Library for many years.

ACTS SURVEY RESULTS

In January of 1986, the ACTS Executive Committee conducted a survey of the clerical and technical staff in the Library system. The results of this survey are as follows:

1. The ACTS Assembly members are interested first in the development of the personnel:
 - a. Library Technician as a career
 - b. Library employee benefits
 - c. Branch library tours
2. The ACTS Assembly members would like to establish a standing committee to assist new staff in becoming part of the library system.
3. The ACTS Assembly members would like designated representatives to serve as a channel of communication between individual staff, and the ACTS Executive Committee.
 - a. Use of the Green Bean for ACTS news and announcements.
 - b. An ACTS/LSO coordinating committee liason.
4. More investigation of the Tuition Remission status.
5. Information from the Library Administration to the staff, concerning the parking situation.
6. Required routing of Faculty and Administrative Meeting Minutes, for the information of the clerical and technical staff.

7. Opportunity for clerical and technical staff to evaluate supervisors and administrators.
8. Regular meetings between Mr. Paul Willis and the whole library staff to provide news, updates and to answer questions concerning library decisions.
9. General consensus that there is too much work - for too few people to do; also strong feelings from staff that they are overlooked, undervalued, and generally left out of any decision making process that involves them.
10. Library temperature control is still causing discomfort in many areas.

There will be an ACTS General Assembly Meeting on Wednesday, April 2nd, 1986, in the King North Gallery. The survey results will be the main topic of discussion, with Mr. Paul Willis as the speaker. We want you there!

LIBRARY BOOK SALE

The Library's Annual Book Sale is scheduled for Thursday and Friday, April 24 & 25. It is not too late to donate materials for the Book Sale, and it is not too soon to begin saving your grocery bags for the purpose of bagging books at the sale.

Collection Development will be happy to receive materials for the Book Sale, and you may deposit your grocery bags with those folks or with Paula Pope. Staff volunteers are needed to work at the sale, and for setting up on Wednesday afternoon. Please call Paula at 257-9401 if you are interested in signing up.
