MINUTES OF THE FACULTY OF THE UNIVERSITY  
June 2, 1943

The Faculty of the University met in the President's Office Wednesday, June 2, at 1:30 p.m. President Donovan presided. Members present were Paul P. Boyd, Thomas P. Cooper, Alvin E. Evans, W. D. Funkhouser, Edward Wiest, and Leo M. Chamberlain. Assistant Dean D. V. Terrell, and Professor M. E. Ligon also attended the meeting.

The minutes of May 25 were read and approved.

The Secretary presented to the Faculty a list of candidates for degrees in the various colleges and the graduate school. He stated that these lists had all been carefully checked by the respective deans and by the Registrar's Office, and that each candidate had completed the requirements for the degree for which he was an applicant. On motion duly made and seconded, the Faculty approved the list and the candidates were recommended to the Board of Trustees.

The Secretary reported briefly on the poll which had been made of students to learn the proportion that is likely to remain in school during the summer quarter. It appeared that about forty per cent of the current enrollment might continue in summer school.

On recommendation of Dean Boyd, the petition of Frank B. Hart was approved. Mr. Hart was asking that he be allowed full credit for the courses in which he was passing when he withdrew during the winter quarter to enter military service, although his withdrawal on March 2 was two days short of the required eight weeks' period.

Also on recommendation of Dean Boyd, the petition of Mary Frances Hatfield was approved. Miss Hatfield was asking permission to take Commerce 17b and 13b by correspondence, thus bringing the total of correspondence work during the senior year to  $15\frac{1}{2}$  hours. This amount is  $6\frac{1}{2}$  hours in excess of the maximum of 9 quarter hours allowed by the rule.

  
Secretary
