SEMINARS ON THE THEORY OF LIVING SYSTEMS, 1982

These seminars will be held on Mondays, 7:30-9:30 PM, in Room 137, Chemistry-Physics Building, September 13 through November 22, 1982. The theme for this year is "Integrative Approaches." Meetings are open to the public. The following programs are scheduled for September:

September 13--Origins of modern science in the Judaeo Christian tradition.

September 20--Political, social, economic, and biological aspects of the Irish potato famine.

September 27--Integrative approaches to agricultural research policy.

TRAINING AT UK

September 27, 29--PROMOTABLE WOMAN: BECOMING A SUCCESSFUL MANAGER.

The topics for this all-day program include leadership, delegation, decision making, time management and career path development.

September 20-24--EFFECTIVE OFFICE WORKER.

This workshop is best suited for new employees with limited work experience. Enrollment is limited to a maximum of 25 participants.

For additional information about these programs, contact the Human Resource Development office, 7-1851.

LIBRARY PERIODICALS ROUTING SERVICE

The library periodicals routing service is available to all staff members in King, branch, and associate libraries and the Medical Center Library. The only requirement for receiving the service is that you agree to hold issues no longer than 3 days before routing them on to the next person on the list.

Please subscribe or renew your subscription to the service by indicating your selections on the list below. If you select more than 5 titles, please note your top 5 request--in case we have to limit distributions. Return the form to Gail Kennedy, Acquisitions Dept. by Sept. 24.

Thank you.
