

2 - Bedroom House  
Greendale Wis.

This single family house introduces  
a new and practical idea in plot  
planning. useless dark and narrow  
sideyards have been avoided by building  
each house close to its property line  
on one side, creating a maximum  
of green space

Greendale, ~~Wisconsin~~ is a  
modern equipped town planned community.  
planned <sup>now</sup> under construction near Mil Wis  
by ~~the~~ <sup>the</sup> Resettlement Administration  
hopes to demonstrate a better method of  
providing low-rented homes.
