Dear Victor.

Here are the last of the proofs, with  
one correction. By the way do you think  
you could give us some unbound sheets for  
three or four copies + we could try binding them  
here? We can always use a few extra  
outside the regular edition. If this is in  
any way inconvenient, then let's forget it.  
If you want me to sign one or two of your copies  
please bring them over when you come. With all  
best wishes + greetings. in Xt. Jm Louis
