OUR LADY OF GETHSEMANI TRAPPIST, KENTUCKY

Dear Victor:

Bro Bernardine assures me that they do not have the book you want and for some reason it will be some time before they get it. His solution is to return your check, so I am doing that, together with his note, which may make more sense to you than it does to me.

Today, Sunday, the weather is so nice that I hope it is inspiring you and Carolyn to plan to come over soon.

In haste, but always with the most cordial good wishes and blessings, inCKrist

*J. Louis*
