LSO THANKSGIVING CONTRIBUTIONS

Thanksgiving, for most people, is a joyous time of year, and the LSO would like to help bring some joy into a needy family's life by providing it with a basket of food.

This year, one of the local churches has provided the name of a gentleman who has been ill and has already seen the inside of a hospital more than one time. LSO feels he and his wife would deeply appreciate our efforts to help them. Thanks to the generosity of the staff last year, a sick, elderly couple was able to enjoy better means until well into January.

If you think you could contribute either a staple or some money, please take it to Andrea Bryant, Business and Economics Information Center, 8-4644, or to Jean Robinson, Cataloging, 7-3831.

HOUSING AND POPULATION CENSUS REPORTS DELAYED

The Government Printing Office reports that as of October 31, 1980, no 1980 Census of Population and Housing Reports have been issued. The preliminary reports are expected by the end of this year. However, the advanced and final reports will be delayed 6 to 18 months due to pending lawsuits (as a result of Detroit's charges of undercount). These final reports will not be released until litigation has cleared the counts.
