—OF—

TROTTING HORSE BREEDERS,

TREASURER'S OFFICE, 120 BROADWAY, N. Y.

NEW YORK, *June 2d*, 1877.

DEAR SIR:

I have the honor to enclose you the extended entries for the Fall Meeting of 1877, and the announcement of stake for Foals of 1876 to be trotted for in 1879. I desire to call attention of members to the fact that all remaining entries close on July 2d, 1877. Members who have made entries will please remember that the second instalment on entries in Colt stakes must be paid on or before July 2d, 1877.

I also enclose list of entries made May 1, 1877, and an amended list of such of our members as I know or believe have Stallions, with the names of such as are owned by members, or have been bred or stood by them, with a view of aiding in determining what Colts, Stallions and Horses are eligible to our present or future stakes.

This list is not yet perfect, and I reserve the right to amend and correct the same.

Respectfully,

CLARK BELL,
Treasurer.
