

Dear Thomas

Wash. 14th June 1838.

I recd your letter informing me that J. Keel will complete the Bale rope by the 5th of the next month. I sincerely hope that he will do so.

You have said nothing to me of late about my Jennettes, whether any of them have foals &c. I wish you would tell Mr. Downing that I wish the Portou Jennettes to go to Royal, and the Maltese to Magnum.

Cot. Hamplon writes me favorably about Rowton. I think I shall get him another year.

Yrs^t aff^{ly}

H. Clay
