

My dear Papa

I want to see you so
bad. I want to kiss you so
so bad. But I am afraid to do it when
these old Feds are here. Tom Doggie
wowie is getting so spoiled you
had better make haste home and take
me on hand. Charley goes to
school every day and is learning
very fast. I send you a kiss and also
one for Major Jimmy and Col Harry.
All the children send their love to
you. Your affectionate
Cornisloga Doggie Wowie
