Dec. 1. 1885

My dear Mr. McDowell

Louise Nove has joined me  
in the shopping business  
and we are going to write  
some circulars to send  
through the south and to  
small towns in Ky. I write  
to ask if we may refer to  
you for our honesty.

We will be much indebted if  
you will allow us the use  
of your name. In haste.

Most sincerely your friend  
Samuel B. Crittenden
