Dear Major

I have received from
Charlie Loring's party an order
for six cases of Special, those
delivered it to Messrs F. & W. Hedges
also with direction to ship
the wine to you. The "Corsons"
are a little disposed to
grudge at Charlie for allowing
so much of this precious wine
to go over from N.Y. but I assure
them that it goes into kindred
& appreciative hands. If you don't
want to use it at once you will
find that it improves with age.
I have sent Charlie my check for
the amount. I know how you are
inclined to kick against "Greeks
bearing gifts." Nevertheless I want
to show my way just one time
