Dear Major

While you & Feltow were  
in pursuit of birds I was trying a  
Case in the U.S. Circuit Court at  
Cleveland. At the conclusion of the  
argument it was agreed that both  
sides should put in printed  
briefs and my adversary being  
industrious & persistent has put  
in three separate briefs to which  
I have replied. This has kept me  
pretty busy for three weeks, but  
was that there is an end of  
brief-making in that <sup>case</sup> I am out  
of a job. Meantime Mr. Bristow  
has had a rather serious attack  
of grip which has kept him in bed
