Dear Major
Thanks for your letter of the
6th inst. The photos also come this
morning & interest me greatly. I feel
like starting at once for Trooper's
Lake with my express rifle.
If a party can be made up for this
you count me in it.

Both Mr Bristow & I are
living sufferers of Rheumatism &
are going tomorrow to the Hot Springs
of Va to try the baths for a couple of
weeks. I hear very favorable accounts
of their efficacy in cases of Rheumatism
& gout. Why don't you & Mr
McDowell join us there? It is only
a night's run from Lexington.
