

Indian Field N.Y.
April the 28th 1884

W. C. McDowell Esq.

Dear Sir & Friend

I Returned Last Evening
from Breathitt had plenty
of High Water to contend
with I expected a letter
from you at Jackson but
failed to get any thing from
you I would like very
much to see you & make
Report of my Investigation
of Coals on Leatherwood I
found that there are 35 feet
11 Inches of coal then in the
different veins Can you
meet me at Mr Stalls
office one day soon as convenient
to you I would like very
much to see Mr Boyd & Gunn
In regard R. R. Route
