Major H. C. McDowell

Dear Major

The papers have a great deal to say about Oratorio. One of them says he trotted at Lexington in 2:12 1/2

I congratulate you on owning a colt so fast, & so well bred. I hope he will meet with no accident & prove to be the 2.10 stallion that you have been trying to breed. If he has the attributes of good temper, good gait & good looks in addition to his speed & high breeding, he should do!

Yours very truly
W. B. Dickerman
