The following recommendation from the Council was approved:

Admission of Auditors or Visitors to the University ✓

"No instructor is authorized to admit an auditor to any of his classes except on presentation of an auditor's card from the Registrar's office.

1. REGISTERED STUDENTS

Permission to attend a class as an auditor is granted to registered students by the dean of the college in which the student is enrolled. A student who visits a class as an auditor is not allowed an examination for credit.

2. PERSONS NOT CONNECTED WITH THE UNIVERSITY

Permission to attend classes regularly may be granted to persons not connected with the University on the following conditions:

- (a) They must satisfy the requirements for admission;
- (b) Their work must be assigned them in the regular way by the dean of the college in which they would most naturally be enrolled.
- (c) They are required to pay one dollar for each semester hour."

Credit for Military Service ✓

"A. Academic credit be limited to officers' training courses and that recognition for other war service be expressed in the form of a certificate of the institution's appreciation of the student's patriot-

ism and loyalty. Such purely military credit may be given as may be permitted by the regulations of the institution.

B. As a principle, no blanket credit should be allowed for war service.

C. The case of each applicant should be considered on its merits and credit be given for such war work of the student as may be recognized as of academic value for the individual."

The following recommendation from the College of Arts and Science was approved:

"The faculty of the College of Arts and Science desires to make the following changes in scheduled courses:

Physiology 1 to be changed back to physiology 1a and 1b, three hours a week first and second semester.

Geology 2 (elementary geology) changed from 3 hours to 2 hours a week.

Geology 7 (engineering geology) changed from 3 hours to 2 hours a week."

Senate adjourned.

MINUTES OF THE SENATE AUGUST 2, 1919

The Senate met in special session in the chapel of the University August 2, 1919, President McVey presiding.

President McVey stated that the special meeting was called to consider the question of admission of graduates of accredited schools, especially from the Smith-Hughes schools, who had not conformed to our present entrance requirements.

Mr. Boyd, Chairman of the Committee on Accredited Relations of Higher Institutions, presented the following resolution:

"That for this year, the Committee be allowed to handle irregular cases of entrance as they arise."

Mr. Patrick, Director of Extension, asked some questions regarding the Extension courses and expenses. He was requested by President McVey to present it to the Committee on University Extension.

Senate adjourned.
