## EDITORIAL COMMENT

### THE 1939 CONVENTION

This issue of the K. N. E. A. Journal is devoted mainly to the 1939 convention program. Teachers and educators are urged to read it through and make final plans to attend the convention in Louisville from April 12-15, 1939.

If for any reason, a teacher cannot attend, by all means such a teacher should send the annual membership fee of \$1.00 so as to receive the proceedings of the meeting which will include the important addresses of the convention.

Pres. W. H. Fouse wants this to be the banner year in K. N. E. A. enrollment. Note his article on page 28 of this Journal. This is his last year and he wants it to be the best year in K. N. E. A. history.

Be sure to bring your membership card and badge if you have already enrolled.

**Support your profession; it supports you.**

### THE 1939 K. N. E. A. ELECTION

Voting for a new president and K. N. E. A. directors will take place on Friday, April 14. Voting will be by secret ballot at Quinn Chapel Church. Your membership card is necessary for securing a ballot, therefore, bring it with you. There are some amendments to the K. N. E. A. Constitution to be voted upon. These are found on page 27 of this Journal.

### THE LIBERTY HIGH SCHOOL

The Liberty High School, shown on the front cover of this issue of the K. N. E. A. Journal, was the meeting place for Eastern Kentucky Negro Educational Association during November 1938. It is a modern equipped building with an enrollment of two hundred pupils and seven teachers.

This school is an accredited four year high school. Along with an academic curriculum, the following extra-curricula activities are offered: Hi-Y Club, Mr. A. D. Puryear, adviser; Girl Reserve Club, Miss Molly E. Madison, Adviser; Boy Scouts, Mr. Saul King, Scoutmaster; Glee Club, Miss Virginia B. Williams, Adviser; Athletics, Mr. Robert Harden, Coach; Dramatics, Mrs. A. D. Puryear, Adviser; and the P. T. A., Mrs. Louise Davis, President.

It was through the generous cooperation of the Hazard Board of Education lead by Superintendent R. T. Whittinghill and the Works Progress Administration that this building was erected to help promote equal educational opportunities for the Negro youth in this locality. Prof. Karl Walker is the principal of this progressive school.
