Dearest Ned -
Your letter of the sixth to
Mrs. Father came yesterday &
simultaneously one to Kathleen
which she came over to see me
of yesterday afternoon, & Grace
Mother's letter to her mother was
delivered this morning, & thus you
see how quickly, of good deed
is reported for by this time
all Tacoma is aware of your
presence at Chapel Sunday

Nothing accompanied by the fair Miss
Foster. It is always creditable to do
the proper thing or when it is thoroughly
agreeable by no means the effort we
might imagine. Wish you would
attend Chapel as frequently as
you can arrange for it, varying the
subject as often as the topic under
discussion. Catherine said she
was leaving for Seattle to be present
at a luncheon given by Mrs Russell
& Mrs Peck, she is now in the City
very often & seems to be greatly im-

pressed with the various whispering of
rumors from the male persuasion. A
visit in the South would soon improve
her technique or the general estimate
of goodish nothing not intended to
be swallowed by your father. Be-
lieve me - The town is somewhat interested
in the coming of the Chicago Opera Company
presenting the "Secret of Sordani"

of Tacoma in the principal role. -
Quator & Mrs Foster have taken a lot
of Mrs & Mrs "Carnegie" A. Foster Russi &

had a long story supposed to be a drama -
all very interesting - at eleven thirty the
party dispersed after saying good
night & home - I danced till 12:30

at the festival of the Col. - And then
we proposed to the Col. - And then

that party was, included - I had medicine

in history - years ago when I was a
child for she a young woman. She studied
Music under Dr Rode. She has
always been admired & held in
high esteem in this place where
she has lived for twenty five
years - the funeral takes place
this afternoon - her remains move on
to Old Rep. Saturdays night we had
a Foster Reunion with the exception
of C. A. H. - Frau - Col Foster, Keel,
Walker - Kelly Foster Hammond &
her husband Mrs Impl - your Grand
parents & Mrs Chapin. We sat
down to dinner - Cider punch pie
& a good home dinner next to
all appearances enjoyed - a few
mumblers on the place cards
produced much laughter & merriment
the Col. telling the size for good years
back - I played some old time
tunes. Master Soted's father
gave me of his recitation, Walter
