

THE SOCIAL ROUND OF THE CITY

While the week in society has not been especially eventful yet there have been a number of charming affairs of more than usual interest. Next to a wedding, perhaps the more attention for conversation is interested in those who are to be married.

Woman Became Rich In a Year

By Her Own Efforts Amasses a Fortune.

Indiana is the home of a woman who until a few months ago lived in a small cottage, but who now resides in one of the splendid brown-stone residences purchased from the profits of her business.

That elegance of person so coveted by normal men is only half a matter of bearing.

The larger half is Distinguished Attire.

Tailoring contributes that half. Does it on the spot. Every garment fresh from the hands of our famous artists of our tailoring institution in Rochester.

The St. Paul Shop is at Sixth and Cedar Sts.

A rich assortment of the little things in imported adornments that appeal to the taste of the discerning and distinctively made to satisfy the most exclusive demands.

Drinking Men Not Wanted

The above sign is now seen in many shops and offices in this city, because drinking men are unreliable.

CONSULT ONLY A PHYSICIAN IF YOU FEEL DISEASE COMING.

The great majority of men and women at the age of 50 years begin to feel the first signs of advancing age in some form of kidney trouble and bladder weakness. Few are entirely free from that torturous disease, rheumatism, which not a disease in itself, but a symptom of deranged function of the kidneys which have become clogged and sluggish, fail in their duty of filtering and straining the poisonous waste matter, uric acid, from the blood, permitting it to remain and decompose, settling about the joints and muscles, causing intense pain and suffering.

SOME ADVICE ON THE TREATMENT OF CANCER.

In a recent interview on the subject of cancer, Dr. G. C. Root, who is a cancer specialist, made some observations, which will probably be appreciated by many readers of this paper. "Experiences in treating several hundreds of cases," said Dr. Root, "has proved to my mind that the knife is a failure, unless used very early, for it is manifestly impossible, considering the manner of development of the disease, for the surgeons to remove all the affected area."

REHEMATISM

PARALYSIS OF THE WRIST. Dr. J. J. Richardson writes: "These cases (old cases) are very difficult to treat, and kind in which I use Turpentine with the highest results to both patient and physician. I have used the X-ray, but have been of cases of different kinds, and have seen but few good results. My method of treatment is superior to any other, and has cured in less time and at much less expense than any other treatment. The injection of serum has been tried, but has given no results, and lately trypsin has been much used, but has given no results. My method is superior to any other, and has cured in less time and at much less expense than any other treatment."
