Mr. A. J. Duncan Sr.

Dear Sir;

Prof. Patterson laid  
before the Faculty of this College, at its  
last regular meeting, your invitation for the  
students of this College to unite with the  
association, of which you are president,  
in the celebration of Mr. Clay's birthday.

I am directed to say to you that  
we approve of the arrangement proposed,  
and have adopted a resolution looking to its  
execution. As the 12<sup>th</sup> of April is so near  
at hand, we can not make the preparations  
necessary for uniting with you this year, but  
will be glad to do so next year.

Yours very respectfully,

Jas. G. White

Sec. of Faculty.

Cincinnati April 23-64.

Dear Sir,

I am very sorry to disturb you, but necessity force me to do it. I don't know what Mr. Haly intend to do, for he don't pay me yet of the work of my poor husband. His foreman Mr. Hegarty, he gives me always good words, but that's all. When Mr. Hegarty was here about two week ago he told me that he would have send me the whole amount in a few days, but now he said that he will not pay me until the figure is done in stone. Mr. Duncan I would not trouble you if I could do otherwise, but my circumstances obliged me to take this step, and I pray you to see about it for I am very much in need of the money.

I anticipate my thanks

Presdt. of the committee for H. Clay's figure.

Dear Sir!

Under the present circumstances and in the situation that I am in, I am obliged to call upon you to do something for me.

As there is no prospect to make a living for me and my family at my business here any longer, I have come to the conclusion to go back to Italy, my native country.

Therefore I should like to know, whether there is any possibility for me to get the money, that is coming to me, for having worked at the Henry Clay figure, now. If there should be, I wish you would do me the favor to let me know how I can obtain it in the shortest possible time.

By conferring this favor on me  
you will greatly oblige  
Yours respectfully

Henry C. Duncan Esq.

Dear Sir,

Having recently met a  
Kentucky Lady who knew you,  
I was reminded of the pleasure  
I formerly experienced in meeting  
you in this City - you were then  
engaged in the great work of the  
Clay Monument and I understood  
a noble Structure now "towers up",  
alike a monument to our great  
departed Statesman and to your own  
good work so perseveringly  
accomplished - I always felt  
mortified at the backwardness of  
the wealthy Men of New-York in  
subscribing to the Monument Fund,  
and presume the final success of  
the effort must have been mainly  
due to the gentlemen of the South  
& West - You have

Several times favored me with  
a very welcome communication  
and if not inconvenient it will give  
me very great pleasure again to  
be the recipient of one of your  
written favors

I trust the War has  
left you <sup>personally</sup> unharmed and that the  
good old State of Kentucky  
will soon be in a condition  
to proceed once more in the onward  
march of prosperity and in the  
quiet of a well established peace

Should you visit the  
East, I ~~also~~ hope to have the  
pleasure of a call, either at this  
Office or at the Gramercy Park  
House

I am Dear Sir  
Very Respectfully  
& Truly

At Home Dec 25. 1863

Dear Father -

I have just arrived from  
Chicago, on the way down I remembered  
that the Case of the Clay Monument  
would come up in the Quarterly  
Court at this term - also that I will  
not be able to get home in time to  
attend to it - and I was not sure  
of the day on which the Court sits  
I telegraphed you to ask Mr Hunt  
to attend to it - The suit is  
brought against you - Pres. Clay, M. A.  
The act of incorporation says that they  
shall "sue or be sued as the Clay Monument  
ass" so I demurred to the Paper put  
on the ground that he had brought  
the suit improperly - Of course you  
are a witness as well as Mr Hunt  
Mr Bell & Lewis & Mr - It has  
turned bitter cold & I shall have  
a long cold ride to the Farm
