Suggestions for homes for the weavings should be given to members of the Art Review Committee: Mary Davis, Art Library; Barbara Galik, Reference; or Gerry Munoff, Special Collections.

LSO NEWS

The University of Kentucky Library Staff Organization is planning a newsletter. This publication will be issued monthly (the last Friday of each month) and will be distributed internally with the Green Bean. The newsletter will concentrate on the Library Staff as people and will include news and honors awarded to staff members and members of their family. There will also be a section for want ads (i.e. items for sale, items wanted, etc.). The first newsletter will be issued on the last Friday in March. If it is received well we will attempt to issue it on a regular monthly basis.

Another LSO publication will be the supplement to the Kentucky Sampler. If there is enough interest we will issue a second edition of the Kentucky Sampler integrating the new recipes into the first edition. Anyone interested in the second edition of the cookbook or the supplement to the Kentucky Sampler should contact one of the LSO Officers. Recipes are still being accepted for the supplement to the Kentucky Sampler. If you have a favorite recipe you want to pass along, send it to Barbara Randolph in the Catalog Department. More about the cookbook next week.
