Kentucky to Invade Florida Saturday

'Continued from Page One'

The week in the hospital, came to practice for the first time since the Vol fray, but was clad in the heavy folds of several sweat suits. George Yates, converted end, whose shoulder was hurt in the Turkey-day game, has reported to Coach Rupp for basketball practice. The condition of his shoulder would prevent him from playing in the coming game.

Although injuries have played havoc with the charges of Coach Harry Gamage this season, that mentor was not particularly worried over the outcome of the game as he left his two best right halves at home with injuries. This year five men have held down that position and every one of the five had been hurt in successive years. Urbanik Johnson, Bach, Yates, and Foster have performed at the right-half post, Florida, just home from a cross-country jaunt from Los Angeles, where they had the distinction of being the first Southern conference team to be defeated by a West Coast club. Coach Charlie Bachman, of the Gators, remarked that his men were in "fair shape" for the Kentucky game.

The men making the trip for the "Cat" were: Capt. Babe Wright, Alternate Captain Shipwreck Kelly, Frank Seale, Bud Davidson, Ken Andrews, Tale Duff, Dutch Kreuter, Dick Richards, Ralph Kercheval, Ellis Johnson, Bill Luther, "Hoss" Fribble, Darrell Darby, Bob Montgomery, Nig Blevins, Bob Kipping, Bud Cavana, C. T. Asher, Newell Wilder, Jack Phipps, Stanley Bach, and Malcolm Foster.

Also numbered in the party were Coaches Gamage, Shively, Campbell, and Gill of the Varsity coaching staff, and Coaches Pribble and Miller, freshmen coaches, three newspaper men and the team physician, Doctor Thomas.

Each Member of Committee Is Given Part In Drive

An incomplete report of the student finance drive of the Y.M.C.A. sponsored by the senior cabinet is to the effect that \$80 was obtained Tuesday night, opening night of the drive, scheduled to continue through Thursday.

Members of the drive committee met Tuesday night in the Y.M.C.A. rooms to obtain cards to be filled out by students who wished to contribute. Each member of the committee was given a list of names of persons to see personally, as an attempt is being made to give each male student an opportunity to aid in support of the financial program of the organization.

Contributions from the faculty, students, and friends of the Y.M.C.A. are the only means the organization has of financing the numerous activities which it sponsors.

Activities sponsored by the Y.M.C.A. are the publishing of the "K" book, socials during Freshman week, College Night, the annual pledge banquet, employment aids, discussion groups, sending delegates to student welfare discussions, the sponsoring of annual Christmas parties for the children of Lincoln school, and the maintenance of the Cosmopolitan club, an organization for foreign students on the campus.

So smart to the eye, and equally pleasing to the touch, we might describe it as a rich suede—smooth and elegant.

The Wool Polo Cloth comes to you in three shades » Natural Tan » Blue » and Brown and has pliability so necessary to the drape of a really smartly tailored Polo coat.
