Mr. R. L. Tuthill  
University of Kentucky  
Lexington, Kentucky

Dear Mr. Tuthill:

The copy of the resolution on the death of my husband, D. H. Peak, passed by the University Faculty has been received and is deeply appreciated. The expression of esteem and friendship will continue to be a comfort to me.

His many years of association with the University of Kentucky faculty were rich ones to him and are greatly cherished by me.

Sincerely yours,

/s/ Kate I. Peak

his family of his actual achievements and your complete summary of them is a real treasure to us.

We appreciate your expression of sympathy. We are finding that the sympathetic understanding of his many friends is one of our greatest helps and richest blessings during these days of readjustment.

Sincerely,

/s/ Mrs. E. J. Wilford

I move that students taking Air Science be excused from classes on March 24 from 4:00 to 5:00 p.m. to engage in drill, and that they also be excused on April 16 from 4:00 to 5:00 p.m. to stand the annual inspection.

Dean Terrell presented, for the College of Engineering, a recommendation that that College be permitted to set up a cooperative plan. After discussion, the recommendation of the College was approved as amended.

Cooperative Plan in Engineering

In addition to the regular four year course in Engineering, the cooperative plan is offered to those students in Engineering who have satisfactorily completed the freshman year in the College of Engineering or to those who present the equivalent as transfer students.

Students who can meet the requirements and so desire, may enter the program and be placed on suitable jobs in industry. They will be permitted to alternate on the semester basis between school and work. The summers will be used to the best advantage of the student for either school or work. The student must maintain a satisfactory standing to be continued in the program.

Those completing the Cooperative Plan will receive the bachelor's degree and will also gain valuable experience. The time required will depend upon the extent of the work program.

The University does not guarantee employment to cooperative students. However, facilities are provided for locating suitable jobs. All jobs must be approved by the coordinator of the Cooperative Program. Each student is required to submit to the coordinator a written report at the end of each work period.

President Donovan announced to the Faculty that the State Senate had un-animously approved the Bill making the University an independent agency of the state and that it was expected that the House would also pass the Bill very quickly. He also announced the Founders Day program on February 22, at 9:45 a.m., the principal speaker to be Dr. W. S. Webb. President Donovan urged the Faculty to attend the Founders Day program and to ask their students to be present.

Dean Holmes announced Religious Emphasis Week February 24 - 28 and stated that all members of the faculty and staff were invited to attend the meetings and the luncheon.

The Faculty adjourned.
