Samuel M. Wilson Esq.

Lexington, Ky.

Dear Sir;

In answer to your letter of recent date, with the enclosed subpoena, as you will see from my return that I only executed same on D. Milt Hager, and ~~the~~ T. S. Kirk is dead, and J. P. DeLong is in Martin County. you can tell Mr. Powers that we do not make any charge for anything that we do for him, and can do. we only wish that a jury, from the old County of Johnson, could try Mr. Powers, and we know that he would get justice, and soon be at liberty. So anything that we can do for Mr. Powers, we are at his service, and we trust that he will be successful in gaining his liberty at his next trial.

Yours Very Respt.
