Hon Colb Powell.

Dear Sir.

I am summoned to appear at Georgetown July 29. I am not in position to come and I would like to be excused. I am ready and willing to render you any assistance that I can and at any time. But I do not believe that my evidence is of sufficient importance to you to warrant ~~it~~ me coming.

However if you and your attorneys believe I will materially assist you case. Telegraph me what day you will use me and I will come. Wishing you success in your game fight for your liberty
I am yours Truly
