Dear Gert:

Am waiting just to  
kill time I guess. I havent  
any news. we havnt been  
getting any mail lately at  
all. Either our folks have  
forgotten us now that the  
war is over or the service  
is bad.

I think I have done  
less in the last month than  
I have ever done in my life.  
Have made four trips to Sam  
outside of what I have done  
absolutely nothing except eat  
sleep and draw my pay.  
a fellow is a long way from  
being satisfied though.
