Army of ^{no} Occupation on machine service

Dear Folks :-

Have some pretty good paper to get rid of so will spoil a few sheets - so you won't worry about your wandering boy. I have nothing to worry about except whether I can escape the next inspection as successfully as I have in the past. General Pershing is to inspect the outfit sometime this week and there have been about a dozen inspections leading up to it. Everyone is to go I guess so probably I will be forced to see Pershing. I wouldn't mind seeing him but the accompanying bother
