

GRADUATE SCHOOL
STATE UNIVERSITY OF KENTUCKY

LEXINGTON, KY., *Jan 30, 1913*

Dear Sir:-

As a student of the Graduate School of the State University, I am making a study of Kentucky place names and it has become necessary that I ascertain some facts in regard to certain towns and villages in Kentucky. I would esteem it a very great favor if you would answer for me the appended questions concerning the following town(s) in your county, viz., *Princess*.

- I. Why was the town so named?
- II. When was it settled and by whom?
- III. What other incidents are connected with its settlement?

If you are unable to answer these questions, I wish you would refer this to someone who can. Anything you may do for me will be esteemed a great kindness.

Thanking you in anticipation of an early reply, I
am

Yours very truly,

Hattie Lee Dean
