Law Student Bar Asks Investigation

The following reasons have been adopted by the Law school Student Bar association: BE IT RESOLVED that since the fraud practiced at the polls in the presidential election of the Student Government association on April 23, 1942 is a reflection on the students, the Student Government, the University, and the people of Kentucky, the Law School Student Bar association asks that the Student Standards Committee conduct an immediate investigation into the said matter and present the full facts to the Student Legislature for their consideration. The Student Bar Association requests that the students, the Student Government, the University, and the people of Kentucky are entitled to know the full particulars as revealed in the light of a thorough investigation.

Polls Will Be Open From 8 To 5; Many Positions Not Contested

A new election to determine the presidency of the Student Government Association is being conducted today in compliance with the ruling of the election board. After Tuesday's results were counted, the board declared the election invalid and called for another balloting. Oivens Dixon, Independent, and Jim Collins, Constitutional, remain the candidates for the position.
Student legislators will be chosen on the same ballots, the board stated. No petitions were submitted for five positions and only one received for each of six others.
"That shows what the students think of the SGA," remarked Russell Peterson, president of the Association. "I am sorry to see such an attitude, as the SGA is going to meet next year." He expressed the opinion that the lack of interest might be due to the overshadowing effect of the contested presidential election.

INVESTIGATION CONDUCTED ON BANQUET FOOD

No Profit Made On Meal, Says Women's Council
Complaints about the food at the Women's banquet held Thursday night have been so numerous that the kernel has conducted an investigation of the matter.
An officer of the Women's Administrative council said, "The council paid 75 cents for each ticket. There were no complimentary tickets issued by the cafeteria. Special guests were paid for by the council. The cost of table linens, the extra cost of labor, and the extra work of serving the food in the ballroom caused the cost of the meal to be 85 cents." She also stated that the new location of the cafeteria, admitted that a similar meal could have been purchased in the cafeteria line for about 80 cents.

The task ahead, Dr. Sanders continued, is to effect such an extensive change in the social patterns and ideology of the German people that the conditions of unrest and dissatisfaction which contribute to aggressiveness will be entirely eliminated. No racial segregation, he said could accomplish this.

TENNIS CATS WIN 1, LOSE 2

Win Over Wayne In First Game, 5-4

Kentucky's tennis team ran into some tough foes on their recent midwestern tour, but managed to subdue Wayne University in their opening match Thursday, 5-4.
Frank Miller, Heinz Seelbach, and Omar Ratliff came through in the singles against Wayne, before Seelbach and Smith teamed together in the final double match to assure victory. Miller and Ratliff won the initial doubles match, 6-3, 6-3.
Michigan State threw a snag in the Kentuckians' tour Friday, sweeping all but one of the matches in win 8-2. Miller and Ratliff won in the doubles, however, to score for the blue.
The Irish of Notre Dame dropped the Kentuckians also, 8-1, to chalk up four wins in a row. Harris' and Lewis' doubles victory accounted for Kentucky's score.

KERNEL SPORTS

The Sporting Way

BY BOB ADAIR

The two-game baseball series with Tennessee last weekend left us with the opinion that the Kentucky team possesses some of the finest pitching talent to be found in any college or university in the country, and that the Wildcat pitching staff is not weak as we previously reported. If the pitching is weak, it is weak only because the hurlers are unexperienced. Talent is certainly not lacking.

In Bob Herbert, Jim Mathewson, and Marvin Akers, Kentucky has three fingers which could probably give professional baseball scouts something to write home about. Herbert's sterling job Saturday merited all the praise which could be bestowed upon any pitcher making his debut on the mound. Until the start of the current season, Bob was listed as a catcher on the Wildcat roster. However, in batting practice chugging, he showed that he really had something on the ball this year and, consequently, it followed that he should be given a chance to see what he could do under fire. He showed what he could do against the Vols, striking out nine batters in 7 2/3 innings, while holding the visitors to four scattered hits.

With a little polishing up, Herbert should be a consistent winner for the Cats. His drop and curve had the Vol batsmen missing the ball by a foot and a half on some pitches. Bob walked six men and three of them came home to haunt him. However, only one of the men walked scored an earned run. The other two scored on Wildcat errors.

Mathewson, while not having as much on the ball as Herbert, has proved to be more steady. After a shaky start Friday, Jim settled down to hold the Vols hitless and scoreless for five frames, retiring the side in order in the fourth, fifth, sixth and seventh innings. He walked only two men and fanned eight, allowing only nine hits, most of which were bunched around errors which had upset him.

Although he did not perform in last week's play, Marvin Akers had been outstanding until that time. The "Big Train" is a fast ball pitcher, depending largely on an excellent knuckle. His record of no victories and one loss is deceiving.

Poster Spence and Mathewson are the only Kentucky pitchers who have victories to their credit in regularly scheduled games. However, Ray May was credited with a win over Transylvania in a practice tilt. The Kentucky roots stand at two victories and four defeats.

Frankie Bauer, the Cats' little second-baseman, has been a hard nut for opposing hurlers to pitch to. He received four free tickets to first base during the Tennessee series. In the first game he got on base five times in as many times up and had to slide seven times. He stole one base and scored three runs.

GOLF TEAM TOPS CINCY

Linksmen Keep Record Unmarred

The golf team ran its winning to three matches and kept a two-year unbeaten record intact Friday by beating the University of Cincinnati 16 1/2 to 1 1/2 in the third match of the 1942 season, on the Ashland course.

Wildcat basketball and football star, Ernie Allen and Carlisle Myers shot the low scores in each match, each touring the course in 72. Whaling was low for the Cincinnati team with a 75.

The summary:
Ramsey, Kentucky vs Knab, Cincinnati, 83; Kentucky 3 points, Cincinnati none.
Allen, Kentucky, 72 vs Whaling, Cincinnati, 79; Kentucky 2 1/2 points, Cincinnati 1/2.
Low ball score Kentucky 2 1/2, Cincinnati 1/2.
Perris, Kentucky 77 vs Ruach, Cincinnati 79; Kentucky 2 1/2 points, Cincinnati 1/2.
Myers, Kentucky 72 vs Mallin, Cincinnati 80; Kentucky 3 points, Cincinnati none.
Low ball score Kentucky 3, Cincinnati none.

Baseball Team Splits With Tennessee Vols

Cats Win First 12-9, Lose In Second, 11-5; Army Team Is Next

In their first regular home appearance of the season, the Kentucky Wildcats split a two-game series with the Tennessee Volunteers last weekend.

Gold medals were awarded to five high school students who received ratings of "superior" in the fourth annual high school art exhibit held last week at the Union building.

The five student artists given the highest ratings were Harold Rice and Harold Stevens of Henry Clay, Lexington; Drucilla Corley and Doris Beville, Louisville Art center.
