ABOUT THE LIBRARIES

ACTS Annual Meeting:

The ACTS annual meeting will be held August 19th at the Carnahan House from 9:00 - 12:00. An agenda will be sent to members of ACTS prior to the meeting.

There will be time provided for a question and answer session with Paul Willis and Faith Harders. If you wish, you may submit your questions in writing to the Director's Office ahead of time. (These should be sent by August 15). This will allow time for any in-depth research for questions dealing with University regulations, Personnel policy statements, etc. Of course, questions will also be welcomed from the floor.

The Director's Office has given permission for the support staff to go directly to the Carnahan House rather than report to the library first, where this will not inconvenience the department. This should be discussed with the department head who has the final decision in this kind of matter, since, in some cases, provisions must be made in advance for those units that need to be opened, etc.

The meeting will adjourn around 12:00 and the staff is expected to report back to the library following lunch. Staff should be back in their departments around 2:00.

LSO Meets:

The Library Staff Organization will be having a brief business meeting and special program on oral history given by Terry Birdwhistell and Bill Cooper on August 18. The business meeting and refreshments (homemade breads and coffecakes!) will be at 9:30 a.m. in the Solarium and the featured program will begin at 10 a.m. in the Gallery.

AIDS Relocates:

The AIDS Center has moved to 105 King Library South (Reserve Room) in an effort to make information more easily accessible to students. Bob Sandroek will join Karen Boucias in staffing the Center as we expand to include media materials in the near future.

New Map Department Hours:

In the interest of more efficient use of personnel the Map Department will be open Monday - Friday, 9 a.m. - 5 p.m. as of August 12th.

Anyone for Purdue?

Are there any librarians who would welcome the chance to visit the Purdue University Libraries, and observe the operations and collections of their counterparts? Rhoda Channing would like to visit their Business in the Fall and hopes other librarians at UK will consider going, sharing expenses and driving. Call Rhoda if interested.

Note from Administrative Services:

Just a note to advise you that calls to campus phones (phone extensions beginning with 3-) can't be transferred. The caller should be referred to the Campus Operator (258-9000) for dialing assistance.

Librarian's "creed":

The following was recently suggested to the Director as describing some of us in the Library:

We, the unwilling
led by the unknowing
are doing the impossible
for the ungrateful.
We have done so much
for so long
with so little
we are now qualified
to do anything
with nothing.
