PREFACE

The publication herewith presented, an index to the probate cases filed in Morris County, Texas, is No. 172 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to filing date of the case and the case number. Differentiation between probate cases assigned duplicate numbers is accomplished by the addition of a letter following the case number. The prefix "L" was sometimes used by the clerk to denote lunacy cases. Case numbers preceded by "O" were assigned to previously unnumbered cases. The following numbers in series 1-854 were not used as case numbers: 32, 54, 78, 146, 168, 191, 350, 383, 425, 427, 441, 448, 459, 462, 463, 480-485, 487-489, 491, 493, 504, 505, 509, 514, 534, 535, 548-557, 566, 567, 574, 599, 600, 610, 639, 735, 760, 761, 768.

In Morris County all probate records are in the custody of the county clerk. Case papers are filed in numerical sequence in plainly marked steel file drawers in the vault adjacent to the county clerk's office on the first floor of the courthouse.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Morris County follow:

Bowie County, Boston, records destroyed by fire, 1889

Nacogdoches County, Nacogdoches, all records extant

Red River County, Clarksville, all records extant

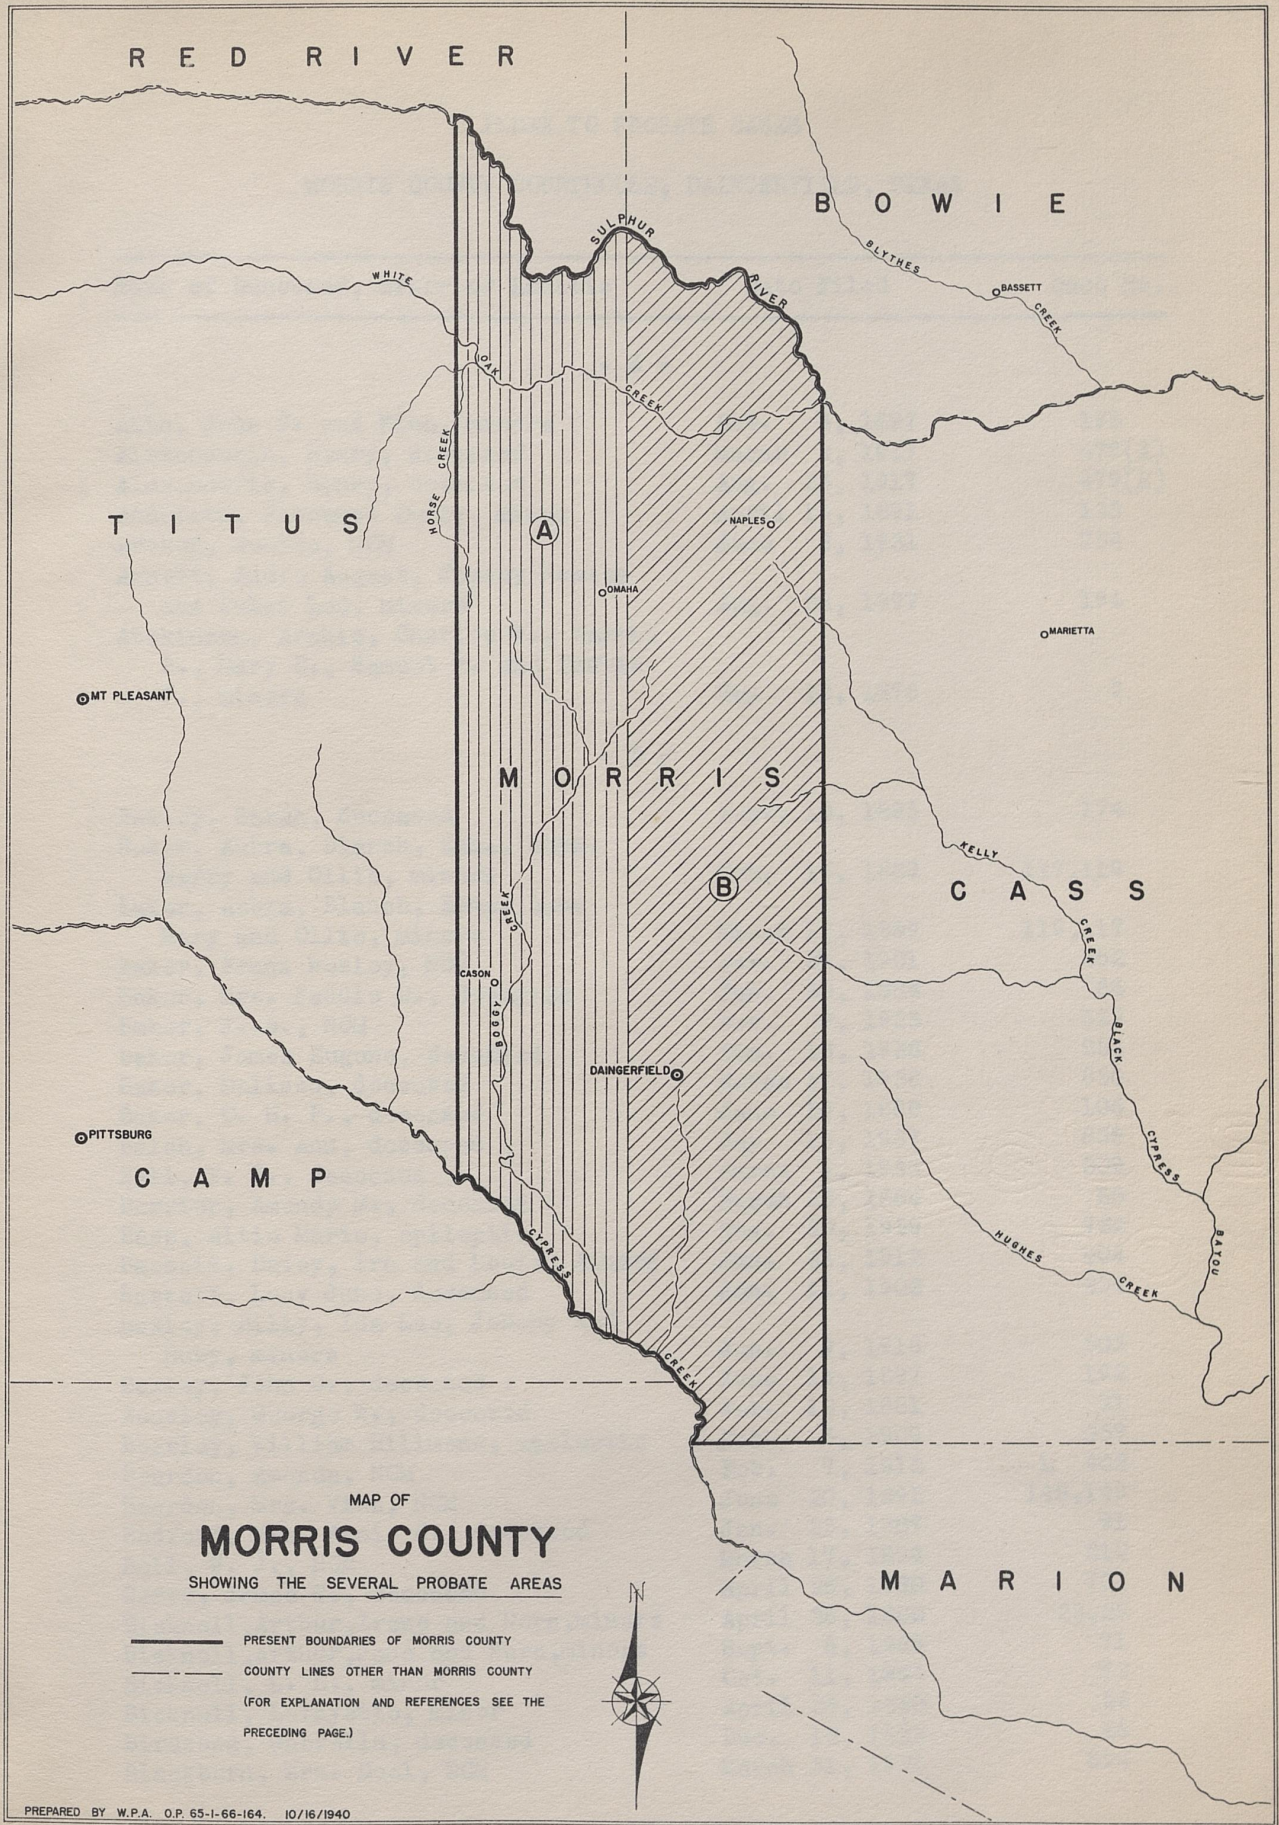

Titus County, Mount Pleasant, records destroyed by fire, 1895

 - (3) Acts attempting to create "judicial" counties were held unconstitutional. Stockton v. Montgomery (Jan. term 1842), James Wilmer Dallam (compiler), Opinions of the Supreme Court of Texas from 1840 to 1844 Inclusive, p. 473. Therefore, the area remained in the original county.

 - (5) Ibid., VI, 122. Latimer County was created by declaration of the Constitutional Convention of 1868-69. It is assumed that the county was never organized because: 1) The Constitutional Convention of 1875 did not see fit to recognize it; and 2) In the same year, the Legislature created Morris County out of Titus, over part of the same territory Latimer would have occupied.
