PREFACE

The publication herewith presented, an index to the probate cases filed in Nolan County, Texas, is number 177 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, businessmen, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors, and other principals are arranged alphabetically, with reference to the filing date of the case and the case number. The following numbers in the series 1-1008 were not used as case numbers: 10, 11, 22, 113, 127, 132, 141, 148, 171, 175, 227, 228, 323.

In Nolan County all probate records are in the custody of the county clerk. Case papers are filed in numerical sequence by case number in steel file drawers in the clerk's vault, the papers of each case being in a separate file jacket.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should be filed, a map and table of territorial changes are included herein. Notations concerning present location and availability of records pertinent to Nolan County follow:

Bexar County, San Antonio, all records extant.

Tom Green County, San Angelo, all records extant.
