Thos. Kidder Green Esq

My dear Friend

I am sure you will be most happy to see & welcome the bearer hereof, Mr Eugene Erving, - the grand son of Mr Clay, - to California. He visits that interesting country, upon which all eyes are turned, on business, and his relation to "the great American Statesman" is enough to ensure him a cordial reception and every attention which you & your friends may have it in your power to bestow.

I trust you find your residence and official position at San Francisco, entirely agreeable.

Ever yours with true regard
A. Sargent
