Dec 8. 1966.

Dear Carolyn -

I was very sorry to hear Victor had to go to the hospital again. But I am glad he is recovering. Tomorrow, on his 85<sup>th</sup> birthday, I will say Mass for all his needs & I hope he will rapidly get back on his feet & be able to come over. So I hope all will be well. Many thanks for the cards you will print up - I will be most grateful.

Meanwhile please give Victor all my blessing & best wishes & say I am praying for him to get well quickly.

all the best always -

Tom.

I will put some books in the mail for the library.
