Brown*, Lyman V. Ginger*, Fred E. Harris, Roy Moreland*, Frank D. Peterson, Morris Scherago*, Dwight M. Seath, W. G. Survant*, and Frank J. Welch*.

The minutes of August 1, 1956 were read and approved.

Dr. Dana G. Card, Chairman of the Faculty Elections Committee, presented a report as follows:

Dr. Robert L. Mills
Secretary of the University Faculty
University of Kentucky
Lexington, Kentucky

October 6, 1956

Dear Dr. Mills:

This is to certify the results of the current election of members for the University Faculty who are to serve for the next three years.

*Absence explained.

The persons elected are listed according to the group to which they belong.

The method of replacing members who are temporarily away from the University on leave, is not entirely clear in the Governing Regulations. The Elections Committee conducted the election on the assumption that the President will appoint persons to fill such temporary vacancies. In each case where a vacancy occurs, however, we are certifying the person with the next highest number of votes. These persons may be considered to be elected to serve in place of the persons on leave or the President may wish to ignore the results of the election in making appointments.

Literature, Philosophy and Arts

Five places were to be filled from this group. The Department of Ancient Languages and Literatures and the Department of Radio Arts have not been represented on the Faculty during the last three years. According to the rule that each department must be represented at least once in four years, Dr. Jonah W. D. Skiles and Professor O. Leonard Press automatically become members of the Faculty as the only eligible members from these departments. The three elected members are: T. Clifford Amyx, Daniel V. Hegeman, and Thomas B. Stroup.

Social Studies

Three elected members are: C. Arnold Anderson, Howard W. Beers, and Ernest G. Trimble.

From this group, Irwin T. Sanders and Jasper Shannon are on leave. Persons with the next highest number of votes are: Thomas P. Field and Amry Vandenbosch.

Physical Sciences

Two elected members are: Otto T. Koppius and Sallie E. Pence. From this group F. L. Yost is on leave. The person with the next highest number of votes is Lyle R. Dawson.

Biological Sciences

The four elected members are: Alfred C. Brauer, Betsy W. Estes, Earl Kauffman, Jr. and Herbert P. Riley.

Agriculture

The four elected are: Dana G. Gard, Stephen Diachun, Harald Jensen, and Roy E. Sigafus.

Engineering

The three elected are: Nathan B. Allison, C. S. Crouse, and Oliver W. Gard.

Law

The elected member is Paul Oberst. Professor F. W. Whiteside, Jr. is on leave. Professor Moreland received the next largest number of votes.

Education

The elected member is Fred E. Harris.

Commerce

The two elected members are Robert D. Haun and Ralph R. Pickett. Dr. W. W. Haynes is on leave and Professor R. D. McIntyre received the next largest number of votes.

Pharmacy

The elected member is Richard M. Doughty.

The Elections Committee wishes to report that the College of Adult and Extension Education is not included in the election procedure. Six persons are involved (three on campus and three at the Northern Center). They might have been included with "Education" but committee members felt they had no authority to do so. When a faculty is provided for the College of Medicine, study will need to be given to their representation also.

Sincerely yours,

/s/ Dana G. Card
