Dear Carolyn

Your letter arrived this morning after mine had gone out ~~yesterday~~ yesterday . I still have no definite word from Dona Luisa but she is favorably inclined at any rate and I think she will say yes. I think then this is a better idea than Nicholas of Cusa but I won't hurt to look in the library and see if there is anything there.

Why don't you and Victor come over on Saturday the 8th of April, that is at the end of Easter week. It would be a fine time, and the weather ought to be all right, I hope. Victor could take the measurements then. We could also discuss any other business, and if you would bring the Coomaraswamy off-prints just in case, as well as anything you may have in the library, though I might have seen some of it before. The Tulips of Sinai by Iqbal does not ring any bells but perhaps if you bring it, I could at least see what it is and I might be able to use it.

If the 8th is not good, then perhaps the 22nd. I hope you can come on the 8th. At the usual time. If you want to bring your Swedish girl and cheer her up, I leave that up to you, I don't think one more would make it too crowded unless we have to sit in the car again...I will look forward to hearing from you about it. All the best until then and God bless you both.

Cordially in Christ

*In Louis*
