Dean Matthews presented a recommendation from the Law College that Law 527, approved for three credits, be changed to variable credit of 2 to 3 semester hours. This recommendation was approved by the Faculty.

President Dickey reported briefly on the University's salary levels for 1961-62 and pointed out some errors in the newspaper account following the meeting of the Board of Trustees at which the budget was approved. He stated that a full report would be included in the next issue of Our University.

The Faculty adjourned at 9:25.
