

Minutes of the Meeting of the Board of Trustees of the University
of Kentucky, Tuesday, May 6, 1980

The University of Kentucky Board of Trustees met in regular statutory session on Tuesday, May 6, 1980 at 2 p.m. (Eastern Daylight Time) in the Board Room on the 18th floor of the Patterson Office Tower on the Lexington campus with the following members answering the call of the roll: Mr. William B. Sturgill, Chairman, Professor Michael Adelstein, Mr. William R. Black, Mrs. Betty Pace Clark, Mr. Albert G. Clay, Mr. Tracy Farmer, Mr. George W. Griffin, Mrs. Sally Hermansdorfer, Dr. David A. Hull, Mr. Thomas B. Kessinger, Mr. W. Terry McBrayer, Mr. Frank Ramsey, Mr. Homer W. Ramsey, Mr. W. B. Terry, Mr. Mark Metcalf, and Professor Constance Wilson. Absent from the meeting were Governor Albert Benjamin Chandler, Mr. L. D. Gorman and Dr. John R. Woodyard. The University administration was represented by President Otis A. Singletary; Vice Presidents Jack C. Blanton, Peter P. Bosomworth, Donald B. Clapp, Lewis W. Cochran, Raymond R. Hornback, John T. Smith, M. Stanley Wall, and Robert G. Zumwinkle; Dr. Wimberly C. Royster, Dean of the Graduate School and Coordinator of Research; and Mr. John C. Darsie, General Counsel.

A. Meeting Opened

Mr. Sturgill, Chairman, called the meeting to order at 2:14 p.m. Following the invocation pronounced by Mrs. Hermansdorfer, the Secretary called the roll. A quorum being present, the meeting was declared officially open for the conduct of business at 2:16 p.m.

B. Minutes Approved

The Minutes of the April 1, 1980 meeting of the Board of Trustees were approved without objection.

C. Meeting Dates Established

Mr. Sturgill called attention to the schedule of meetings of the Board of Trustees and the Executive Committee as established for fiscal year 1980-81 (see copy at the end of the Minutes) and requested the members to mark their calendars accordingly.

It was also agreed that the June 1980 meeting of the Executive Committee should be changed to a full Board meeting and the date changed from June 10 to June 27.

D. Letter of Appreciation from Mrs. Edward F. Prichard, Jr.

The Chairman asked that a letter from Mrs. Edward F. Prichard, Jr., expressing her appreciation to the Board of Trustees for recognizing her husband, Mr. Edward F. Prichard, Jr., with an honorary degree be received and filed as part of the Minutes of the Board of Trustees.

E. President's Report to the Trustees (PR 1)

President Singletary reviewed several items in his monthly report to the Trustees, calling particular attention to the three recipients of the 1980 University of Kentucky Research Foundation Faculty Research Awards who had been invited to attend the Board meeting. President Singletary then said he was pleased to introduce Professor Wesley J. Birge, School of Biological Sciences, and Professor John H. Lienhard, College of Engineering, who were in attendance, and noted that one of the recipients, Professor Anwar Hussain of the College of Pharmacy, was unable to be present. Upon the recommendation of President Singletary, the Chairman received the report and ordered it filed.

F. Recommendations of the President (PR 2)

After noting that the personnel changes in PR 2, Recommendations of the President, were routine appointments and/or staff changes, President Singletary recommended it be approved. On motion by Mr. Homer Ramsey, seconded by Mr. Black and passed, PR 2 was approved. (See PR 2 at the end of the Minutes.)

G. Supplemental Recommendations of the President (PR 3a)

President Singletary recommended that the Board of Trustees authorize a Self-Study Program for the University System in preparation for a visitation by the Southern Association of Colleges and Schools. The purpose of the visitation will be the reaffirmation of accreditation by the Southern Association. Institutions are required to conduct Self-Study Programs on 10-year cycles. Because of the size and implications of this undertaking, President Singletary feels the Board should give the University formal authority to begin this process. He called attention to the list of people who have agreed to serve on the Steering Committee which will be chaired by Dr. Paul G. Sears.

With President Singletary so recommending, on motion by Professor Adelstein, seconded by Mr. Metcalf and passed, PR 3a was approved. (See PR 3a at the end of the Minutes.)

H. Proposed Amendments to the Governing Regulations (PR 3b)

President Singletary recommended that the proposed amendments to the Governing Regulations presented in PR 3b be received for consideration and put on the agenda for Board action at the June meeting.

Without discussion, on motion by Mr. Clay, seconded by Mr. Griffin and passed, it was so ordered. (See PR 3b at the end of the Minutes.)

I. Candidates for Degrees - University System (PR 4)

Without discussion, on motion by Mr. Metcalf, seconded by Mr. Frank Ramsey and passed, the President was authorized to confer upon each individual recommended on the list provided the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate. (See PR 4 at the end of the Minutes.)

J. Candidates for Degrees - Community College System (PR 5)

Without discussion, Mr. Metcalf moved that the degrees and certificates specified in PR 5 be awarded to the persons named upon certification that the requirements for those degrees or certificates have been satisfactorily completed. His motion was seconded by Mr. Frank Ramsey and passed without dissent. (See PR 5 at the end of the Minutes.)

K. Proposed Amendments to the Governing Regulations (PR 6)

At the April 1, 1980 meeting the Board received and tabled certain proposed amendments to the Governing Regulations. Noting that the required month had passed, President Singletary recommended that the proposed amendments to the Governing Regulations as presented in PR 6 be removed from the table and approved. On motion by Mr. Kessinger, seconded by Mr. Farmer and carried, PR 6 was adopted (See PR 6 at the end of the Minutes.)

L. 1979-80 Budget Revisions (PR 7)

The budget revisions recommended in PR 7 being of a routine nature, President Singletary recommended approval. On motion by Mr. Black, seconded by Professor Wilson and passed, the budget revisions recommended in PR 7 were authorized and approved. (See PR 7 at the end of the Minutes.)

M. Change in Name of College of Social Professions to College of Social Work (PR 8)

Noting that over the years the present name of the College of Social Professions has caused some concern with the accrediting bodies, and based on a recommendation forwarded by the Dean of the College, President Singletary indicated he was pleased to recommend that the name of the College of Social Professions be changed to the College of Social Work, effective immediately. On motion by Professor Wilson, seconded by Mr. McBrayer and passed, PR 8 was approved. (See PR 8 at the end of the Minutes.)

N. Capital Construction Projects (PR 9)

President Singletary recommended that the Board of Trustees approve for submission to the Council on Higher Education a capital construction project proposal involving window replacement for Barker Hall. The estimated cost of the project is \$108,000. Funding for the project will come from funds available in the Plant Fund.

On motion by Dr. Hull, seconded by Mr. Terry and carried, the capital construction project as recommended in PR 9 was approved for transmission to the Council on Higher Education. (See PR 9 at the end of the Minutes.)

O. Interim Financial Report (FCR 1)

Mr. Clay, Chairman of the Finance Committee, reported the committee met on the morning of May 6, 1980 and reviewed three items to be presented for action, the first of which was the Interim Financial Report for the period ending March 31, 1980. The committee found the University to be "on target" and Mr. Clay moved that the report be accepted. His motion, seconded by Mr. Griffin, passed and the report was accepted. (See FCR 1 at the end of the Minutes.)

P. Room and Board Rates 1980-81 (FCR 2)

Mr. Clay pointed out that FCR 2 deals with room and board rates recommended for 1980-81. He said the Finance Committee wished to express its appreciation, along with that of the Board of Trustees, to Vice President Blanton, Mr. George J. Ruschell and members of their staff, including Mr. Allen R. Rieman, Mr. Robert Blakeman and Ms. Jean Lindley, for their efforts, time and dedicated work in developing the proposal.

Mr. Clay then called on Mr. Blanton who gave a presentation through a series of charts in support of FCR 2 which pointed out the current and proposed rates and the amount of increase for each plan. He expressed the belief that the increases were the absolute minimum which could be enacted and keep the budget in balance. He pointed out that the overall increase of 7.3% is considerably less than the rate of inflation for the past year and is below the projected rate of inflation for the coming year. Mr. Blanton stated that the Housing and Dining System at the University of Kentucky is a self-contained system which means that fees collected from the consumers of the services are the total support of the system and no tax dollars are involved.

Mr. Clay thanked Mr. Blanton for his presentation and said the Finance Committee feels it is remarkable that the total Housing and Dining System increase can be held to a 7.3% increase.

On motion by Mr. Clay, seconded by Mr. Homer Ramsey and passed, the six recommendations in FCR 2 for proposed adjustments of room and board rates for 1980-81 were approved. (See FCR 2 at the end of the Minutes.)

Q. Residence Hall Activity Fee (FCR 3)

Acting on the recommendation of the Finance Committee, Mr. Clay moved that the Residence Hall Activity Fee be adjusted from \$10.00 to \$12.00 per year to be used to support student programs in the residence halls, effective Fall 1980. He noted that there had been no increase in the Residence Hall Activity Fee for 10 years; however, due to inflation the present fee is insufficient to provide the necessary support for these programs. Mr. Clay's motion was seconded by Mr. Griffin and passed without dissent. (See FCR 3 at the end of the Minutes.)

R. Report of Investments (ICR 1)

Mr. Griffin, Chairman of the Investment Committee, presented a quarterly report of changes made in investments for the University and its affiliated corporations for the quarter ended March 31, 1980 and moved that the report be accepted. His motion, seconded by Mr. Terry, passed and the report was accepted. (See ICR 1 at the end of the Minutes.)

S. Mr. Mark Metcalf Recognized

Mr. Metcalf presented a report on the activities of Student Government during his year as president, and distributed a packet of materials to the members of the Board. He pointed out the highlights of the year and spoke about the long-term goals of Student Government. He said it had been a rewarding year and one of the greatest experiences of his life. He thanked the Board for the way it dealt with him and expressed his appreciation for having been a part of the Board.

Mr. Metcalf introduced the new Student Government president who will become the next student member of the Board, Mr. Brad Sturgeon.

Mr. Sturgill thanked Mr. Metcalf for his informative remarks and said he should be prideful of the fact that he served well in representing the views of the students. Mr. Sturgill, on behalf of the entire Board, presented Mr. Metcalf with a certificate of appreciation for his contributions while a member of the Board of Trustees and wished him well in his future endeavors.

T. Meeting Adjourned

There being no further business to come before the meeting, on motion duly made, seconded and carried, the meeting adjourned at 3:01 p.m.

Respectfully submitted,

Betty Pace Clark
Secretary, Board of Trustees

Members, Board of Trustees:

UNIVERSITY OF KENTUCKY UNIVERSITY SYSTEM SELF-STUDY AND
VISITATION BY SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS

Recommendation: that the Board of Trustees authorize a University of Kentucky University System Self-Study Program preparatory to a visitation by the Southern Association of Colleges and Schools for purposes of reaffirmation of accreditation.

Background: The University of Kentucky, like each other institution with lengthy membership in the Southern Association of Colleges and Schools, must have its accreditation reaffirmed normally every ten years. A significant part of the reaffirmation process is the Institutional Self-Study Program in which institutions participate according to a schedule established by the Southern Association's Commission on Colleges. For the University of Kentucky, however, the University System and each of the community colleges in the Community College System engage in separate self-studies and have their accreditations reaffirmed independently. The University's thirteen community colleges started their self-studies about one year ago.

It is expected that the University System Self-Study will, after appropriate preliminary activities, start on September 1, 1980, and conclude during the 1982 spring semester with an evaluation by a Visiting Committee appointed by the Southern Association's Commission on Colleges. A Steering Committee* has been formed and it will be charged with the responsibility for organizing the Self-Study and seeing that it progresses on schedule. This Committee, in turn, will be recommending the establishment of at least twelve other committees concerned with the individual accreditation standards** and with planning for the future. Additionally, the Steering Committee will arrange for all colleges and most departments and other educational units in the University System to conduct self-studies during the 1980-1981 academic year.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed amendments to the Governing Regulations of the University of Kentucky be received at this time for preliminary consideration and, at the next regular meeting of the Board of Trustees, be included on the agenda for action.

(Note: Proposed additions are underlined; proposed deletions are bracketed.)

First Amendment--Change the current second paragraph of Part II,A,1 to read:

No member of the Board of Trustees or its administrative staff may be directly or indirectly interested in any contract with the University for the sale of property, materials, supplies, equipment or services, with the exception of compensation to the [two] three faculty members.
(KRS 164.130)

Background: KRS 164.130 was amended during the 1980 Session of the Kentucky General Assembly to provide for the addition of a member of the teaching faculty of the Community College System to the University of Kentucky Board of Trustees. This amendment to KRS 164.130 becomes effective after July 14, 1980.

Second Amendment--Change the current Part II,A,2 to read:

2. Membership

The Board of Trustees of the University of Kentucky consists of sixteen competent citizens of Kentucky appointed by the Governor, [two] three members of the teaching faculty of the University (two from the University System and one from the Community College System) who shall have the right to vote on all matters except that of faculty compensation, and one member of the student body of the University of Kentucky. The initial terms of the appointed members shall be for four years and until their successors are appointed and qualify. Whenever terms expire after July 14, 1980, the terms of members appointed by the Governor to fill the vacancies shall be for six years. [Four of the sixteen appointed members shall be appointed each year.]

Three of the appointed members shall be representative of agricultural interests, three shall be alumni of the University, and ten shall be other distinguished citizens of the state representative of the learned professions. The Governor shall so make the appointments as to divide the representation on the Board as equally as possible between the two leading political parties of this state. Appointments to fill vacancies shall be made for the unexpired term in the same manner as provided for the original appointments. (KRS 164.130 as amended by the [1972] General Assembly in 1972 and 1980)

Each alumni member is appointed by the Governor from three persons required to be citizens of Kentucky nominated by the alumni by a procedure prescribed by the Board of Trustees. (KRS 164.130; KRS 164.140)

The two faculty members representing the University System of the University of Kentucky must be teaching or research members of the faculty of the University System [of Kentucky] of the rank of assistant professor or above, elected by secret ballot by all faculty members of the rank of assistant professor or above in the University System. Faculty members serve for terms of three years and until their successors are elected and qualify. They are eligible for reelection, but are ineligible to continue to serve as members of the Board if they cease to be members of the teaching staff of the University System. Elections to fill vacancies are for the unexpired term and are held in the same manner as for the original elections. The authority to develop procedures for the election of faculty members of the University System to serve as members of the Board in accordance with the provisions of KRS 164.130 is hereby delegated to the University Senate [(University System)].

The one faculty member representing the Community College System of the University of Kentucky shall be a teaching member of the faculty at one of the community colleges in the Community College System, elected by secret ballot by members of the community college faculties. The community college faculty member shall serve for a term of three years and until a successor is elected and qualified. No community college shall have a faculty representative on the Board for more than one term in succession. The community college faculty representative shall be ineligible to continue to serve as a member of the Board if that individual ceases to be a member of the teaching faculty at one of the community colleges. An election to fill a vacancy for an unexpired term shall be held in the same manner as for the original election. The authority to develop procedures for the election of a faculty member of the Community College System to serve as a member of the Board in accordance with the provisions of KRS 164.130 is hereby delegated to the Senate of the Community College System.

The student member is the president of the student body of the University except that, if the president of the student body is not a full-time student who maintains permanent residency in the Commonwealth of Kentucky, a special election must be held to select a full-time student who does maintain permanent residency in this Commonwealth as the student member. (KRS 164.130)

The number of faculty and student members elected to the University of Kentucky Board of Trustees shall not exceed four. (KRS 164.130 as amended by the 1980 General Assembly)

Background: Three amendments to KRS 164.130 which were made during the 1980 Session of the Kentucky General Assembly become effective after July 14, 1980. One amendment provides for the addition of a member of the teaching faculty of the Community College System to the University of Kentucky Board of Trustees. A second amendment establishes a limit in that the number of faculty and student members elected to the University of Kentucky Board of Trustees shall not exceed four. The third amendment extends from four to six years the terms of Board of Trustees members appointed by the Governor to fill vacancies created through terms expiring after July 14, 1980. The proposed changes in Part II,A,2 bring the University of Kentucky Governing Regulations into conformity with these amendments to KRS 164.130.

CANDIDATES FOR DEGREES - UNIVERSITY SYSTEM

Recommendation: that the President be authorized to confer upon each individual whose name appears on the list the degree to which he or she is entitled upon certification by the Dean of Admissions and Registrar that the individual has satisfactorily completed all requirements for the degree for which application has been made and as approved by the University Senate.

Background: Since the Commencement Exercises are held immediately following completion of examinations, it is not possible for the Office of the Dean of Admissions and Registrar to certify satisfactory completion of requirements prior to Commencement Exercises, for those candidates who completed their requirements in May. The candidates who completed their requirements in August, 1979 and December, 1979 were approved by the Board of Trustees at earlier meetings.

Members, Board of Trustees:

PROPOSED AMENDMENTS TO THE GOVERNING REGULATIONS

Recommendation: that the following proposed amendments to the Governing Regulations of the University of Kentucky which were received and tabled at the April 1, 1980 meeting of the Board of Trustees be removed from the table and approved.

(Note: Proposed additions are underlined; proposed deletions are bracketed.)

First Amendment -- Change the current fifth paragraph of Part VII,A,1 to read:

An institute is [a] an educational unit established for the administration of interdisciplinary programs that are primarily research in nature. The term "center" may, in some cases, be used as a synonym for research institute. [It] Such an educational unit is administratively responsible to the Dean of the Graduate School and Coordinator of Research, unless the administrative responsibility specifically has been delegated otherwise. The chief administrative officer of an institute is a director.

Background: In view of the common research focus of four centers (Appalachian Center, Center for Developmental Change, Sanders-Brown Research Center for Aging, and Multidisciplinary Center for Gerontology), this addition provides needed consistency between the Governing Regulations and current practice and has been recommended by the University Senate.

Second Amendment -- Add the following as a new fifth paragraph in Part VII,A,1:

A graduate center is an educational unit of an interdisciplinary or multidisciplinary nature, which is equivalent to a department, and is located administratively in the Graduate School. It is associated exclusively with graduate programs and their attendant courses and research. Its faculty have primary appointments within a college, or in some cases, within the center.

Background: The establishment of graduate centers as a new type of educational unit was authorized by the Board of Trustees on July 19, 1977. This addition provides needed consistency between the Governing Regulations and current practice and has been recommended by the University Senate.

Third Amendment -- Change the last paragraph of Part VIII,A,3 to read:

Recommendations of the search committees shall be transmitted to the President through the normal administrative channels along with the recommendations of the administrative officer responsible for the appointment. Recommendations on the appointment or reappointment of chairmen (chairpersons) of academic departments or divisions shall be accompanied by written statements from at least the tenured members of the department or division.

Background: Faculty inputs on both appointment and reappointments of chairmen (chairpersons) are important but some uncertainty has existed as to whether or not such inputs on reappointment have been required. This addition provides clarification of policy and has been recommended by the University Senate.

Fourth Amendment -- Replace the current fourth and fifth paragraphs of Part X,B,1 with the following paragraphs:

[A post-retirement appointment is a type of appointment which is used in a very limited number of retirement cases, when it is essential to a University program or office or when it is otherwise impossible practicably to fill a position with a fully qualified person. Such an appointment may be part-time or full-time, requires approval by the Board of Trustees, and is made for periods not to exceed one year each, but in no case will such an appointment extend beyond the fiscal year in which the employee attains age 70.

Notwithstanding the prohibition relating to appointments beyond age 70, however, a former employee who has attained age 70 may be employed, subject to conditions specified in the Administrative Regulations (Section II.B.2 of AR II-8.0-4), to perform duties for which fee schedules have been established and approved by the President of the University.]

Post-retirement appointments are of two types. One type is that in which retired employees may be appointed to perform duties for which fee schedules have been established and approved by the President of the University.

A second type of post-retirement appointment may be used in a very limited number of cases, when it is essential to a University program or office or when it is otherwise impossible practicably to fill a position with a fully qualified person. Such a part-time or full-time appointment is restricted to former employees who have elected to retire but have not reached the mandatory retirement age, requires specific prior approval by the Board of Trustees, and is made for a period not to exceed one year.

Background: This change brings the Governing Regulations into conformity with an amendment of Section V of the University of Kentucky Retirement Plan which was approved by the Board of Trustees on September 18, 1979.

Fifth Amendment -- Add the following as a new fourth paragraph in Part X,B,1:

The term "joint appointment" shall apply in any case in which an individual holds two or more intra-University faculty appointments. In such an instance, one of the appointments shall be designated as the primary appointment by the dean of the college if the individual's appointments are associated with educational units in the same college, by the appropriate academic vice president if the appointments are with educational units in different colleges but in the same academic sector (i.e., Division of Colleges, Medical Center, or Community College System) or by the President if the appointments are with educational units in different academic sectors. The constituent appointments relating to a joint appointment may be processed simultaneously or at different times; however, each appointment should be processed independently and considered on its own merits. An individual's academic rank, though usually the same, may differ in the constituent appointments. The possibility of tenure applies only to the primary appointment. In case of termination of the non-primary appointment(s) leaving only the primary appointment for a full-time faculty member, the individual's assignment associated with the primary appointment shall become full-time.

Background: This addition fulfills a need in the Governing Regulations relative to explaining the term "joint appointment" and describing certain policies and procedures pertinent to such an appointment.

CHANGE IN NAME OF COLLEGE OF SOCIAL PROFESSIONS
TO COLLEGE OF SOCIAL WORK

Recommendation: That the name of the "College of Social Professions" be changed to the "College of Social Work" effective immediately.

Background: When the College of Social Professions was originally established by the Board of Trustees, it was anticipated that it would in time develop to include other applied programs in the social and behavioral sciences than the degree programs in social work existing at that time. This has not developed as originally anticipated, and it appears quite probable that program development in the future will probably be limited to those areas that are normally a part of social work education. The present name has caused some concern with the accrediting bodies, and the primary reason for this proposed change is to eliminate that concern.

RESIDENCE HALL ACTIVITY FEE

Recommendation: that the Residence Hall Activity Fee be adjusted from \$10.00 per year to \$12.00 per year to be used to support student programs in the residence halls to be effective the fall of 1980.

Background: The Board established an activity fee of \$10.00 a year in 1970 for each student living in the residence halls to support the internal programs for the purchase of magazines, refreshments, recreation equipment, other supplies, and to pay for student recreational activities.

Due to inflation, the present fee is insufficient to provide the necessary support for these items. The Student Affairs staff has requested this adjustment to become effective with the fall semester 1980.
