

Tuskegee Inst., Ala. Jan. 29th 1913.

Dear Louise.

This will inform you that your letter was received a few days ago and I was real glad to hear from you but sorry to learn that your mother has been sick. I hope this may find you all in good health. as it leaves Missie and me quite well at this time. I thank you

So much for that beautiful
handkerchief you sent me.

Alice Rucker sent me a lovely
Cap. I did not expect any
thing.

Tell your Mother that I received
her good letter some time ago
and was delighted to hear
from her, I guess she remembers
that I told her that I did not
write very much. I know
she will excuse me but I will

be glad to hear from you
all at any time. I shall
never forget her kindness
to us in our deepest sorrow.
Remember me kindly to all
of the family.

Yours lovingly,

Julia A. Gaines.

P.S. I hope you all are pleased with
your new home.

Dear Cousin:

I hope this finds you and the family well and prospering. Received your letter telling me that Aunt Bella was not expected to live but heard no more until a lady in Boston told me of the funeral in Atlanta. I am very sorry too because I could have been in Atlanta at the time. In fact

I was in ² Atlanta a week later. I heard that you spoke of me to some while in Atlanta and am very sorry that I can't quite agree with some of the statements.

I am really affected by my good Aunt's death, for she seemed to like me very much.

Well it is almost time for me to be in school again. Have made a fairly

good season³ altho the early part of the summer was poor.

Received my marks sometime ago and passed alright in all my subjects but unfortunately I let one "C" slip in. The mark in that subject was 29, so you see that was a few points above the passing mark.

Regards to the family and any of my friends in the city that you might happen to know. Yours
J. W. Garner
