record of the New York Grand Jury investigation. The men who reached this decision are: Governor Lawrence Wetherby, who sat with us through two sessions which were each from six to eight hours in length; the Honorable Robert P. Hobson, Trustee from Louisville, Kentucky; the Honorable Tom Ballentine, Alumni Director from Louisville, Kentucky; the Honorable H. P. Palmore, Trustee from Frankfort, Kentucky; the Honorable Guy Huguelet, Trustee from Lexington, Kentucky; Mr. Robert Smith, President of the Student Government Association; Dr. Paul Oberst of the Law College; Dr. M. E. Ligon of the College of Education; Dr. Leo Chamberlain, Vice President of the University; Director of Athletics B. A. Shively; Dean A. D. Kirwan, and H. L. Donovan, President of the University of Kentucky.

If you have any doubt about the sincerity and integrity of these men and their desire to protect Bill Spivey and the University, I would suggest that you talk with one of the prominent citizens of your community who is a Trustee of the University. Go call on him and find out what he thinks about the situation for he is rather familiar with the details of it. I refer to Mr. John C. Everett. Won't you call on him? I am also enclosing a copy of the final decision made by the Athletics Board after a period of approximately five months of study of this case.

Cordially yours,

H. L. Donovan
President
