

Tues. 6 P.M.

Dear girls: Found everyone
O.K. Margy sure is getting
big. Dad was disappointed
that I did not get in here
Sunday. Went to the depot to
meet me. All the first
plastering in the house
is finished. Now they will
have to do that smooth white
finish on the plaster. Hope
to get started at the
knickers tomorrow. Had
a big washing today.
Hope you are getting
along O.K. & don't get
into mischief. Also
bought the Blondex. Will
send it with knickers.
Lots of love to you. Mother

My dearest Love:

Your notes read over once again. That is only about the fourth or fifth time for today. And they will be read ~~again~~ more and that is before I go to bed sweetheart.

Talk about coming to school it sure looks like there would be no school tomorrow. But I bet if there is any way at all of getting there I will be present. Although I will not get to see you in the afternoon. See that will be tough luck for me. Although I don't get a note from you every period but there is not very many that I miss seeing you.

Say Sweetheart if you don't want me to speak or look at W. B. I want you to promise me not to look or speak to Bee H. Cause she is one girl I don't like. I mean her ways. When she walked down the hall with you today all

folks know that you think any
thing of me? I never knew your
dad till yesterday. So know him. What
I mean, I never saw him before.
Well Sweetheart, I must close
for now and get that B.S. If I
have time I will write you more
later. Will close.

Your love forever & ever

²
the girls began to rag me
about it. and said they would
not have that if they loved me.
So keep that in mind. Because I don't
count myself any thing like her.
Do you???

And as to a certain thing
going off in 3 months. Do you
realize how soon that will
be?? You know what I said when
we were at Richmond to the
Journey? Well if we can have that
I will be willing to do so.

Well my love I am glad
that you are beginning to
believe me when I say I love
you. Because I sure do. Sweet-
heart.

Sweetie, I have just started
that Exercise. Do you have any
idea I will get it to nite? I don't
think I will, as I have to get
my part learned for the play.
and write my outline out to-
nite. So I don't think I will
have it all. But I sure will be
glad when I do get it.

Listen, Honey how you

Dearest Micky,

Received your letter today and guess I will take this time to answer. Glad to hear Eddie is getting alright and is not hurt bad.

If you know Micky, I just got your and Eddie's Xmas cards today. The funniest thing one of the fellows took them home last week when I wasn't here and just brought them over tonight.

Gosh isn't it awful to have to go to school. I have so much work to do I don't know where to start. I know I got 60 lines of poetry to learn before Friday.

I am still sleepy and guess I never will get caught up. We played basket ball last night and then I studied until almost 1:00 o'clock. I sure went over big in Chemistry this morning tho! the prof. ask me two questions and I knew both of them. some-thing unusual (7+2!7+2)

I went over like a subway

in English tho. I was supposed to have an 800 word composition written and I didn't have it, so I got to write it tonight.

I registered today for next semester so I don't have to stand in line on registration day. When is your semester over. Our pledge dance is on Feb. 1st I think. That is on Sunday nite before we start to school on Wed.

I think we will go back to Hagerstown Sat. afternoon. Spenny wants to take his old Ford home and Sam going to drive it for him. We will come back Sat. night after the basket ball game. Hager. plays Cambridge. It should be a hot game. Bill is going to referee

Well I must close and mail this or it won't go out until tomorrow

Lots and Lots of Love
